**Church of the Beloved
Inclusive Catholic Community**

"Come for supper real soon." -God

We are concerned, committed Catholics forging a path toward the reform and renewal of the Church. We:

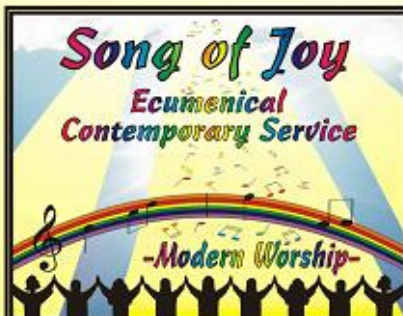

- allow priests the freedom to marry and raise families of their own
- give women the opportunity to serve; our pastor is a woman priest
- freely give Jesus' gift of Eucharist to all the baptized, whether Catholic or Protestant, and welcoming of all
- recognize the dignity of all human beings regardless of their race, national origin, gender or sexual orientation
- strive for justice within the church as well as throughout the world
- are a member of the Ecumenical Catholic Communion
